FEE CALCULATION

Scout/Scouter Name _____

<u>Description</u>	<u>Fee</u>	<u>Multiply</u>	<u>Subtotal</u>
BSA Registration	\$15.00		
Adult Registration	\$15.00		
<i>If coming from another unit, you only need to pay a \$1 transfer fee instead of the \$15 registration fee.</i>			
Boy's Life	\$12.00		
Activity Fee (each Scout)	\$52.00		
Insurance	\$ 1.00		_____
<i>For each registered scout and adult</i>			
		TOTAL:	=====

Please confirm: Do you want Boy's Life? YES NO

Note: Actual total fee due is dependent on how many of each fee components apply to each family. For example, a family registering one scout, one adult, one Boy's Life subscription and an activity fee would owe: $1 \times \$15.00 + 1 \times \$15.00 + 1 \times \$12.00 + 1 \times \$52.00 + 2 \times \$1.00 = \96.00 Activity Fees only apply for each scout registered. The only fee for an adult registration is \$15.00. So, for a family registering two scouts, one adult, one Boy's Life (shared?) and the activity fees would owe: $2 \times \$15.00 + 1 \times \$15.00 + 1 \times \$12.00 + 2 \times \$52.00 + 3 \times \$1.00 = \164.00 .

To determine your family's fees, insert the appropriate multiplier for each item above, calculate the subtotals and total. Make checks payable to Troop 159.
